### Big Buddy Program

Big Buddy was scheduled to begin on September 7, 2021. However, at this time, we have been asked to have a little more patience until all contractual agreements have been resolved.

During the month of August, teachers agreed to host the aftercare program. The purpose of this program is to ensure students can remain at school while their parents are working. Hours for the aftercare program are from 3:30 – 5:30 five days per week. There is a one time fee of \$50 for the aftercare program. These funds should be paid to the school.

You may continue to complete applications for Big Buddy. The application for Big Buddy has been sent home along with additional information. SFX teachers will continue to work with students in the Big Buddy program once it begins.

### Water Bottles

Students are required to have their water bottles cleaned and filled when they depart from their parent's car. The water fountains have been turned off for use by students and school personnel. Please remind your children to bring their water bottles.

### High School Visitations

Listed below are the dates that we have received thus far for high school visitations:

- St. Michael's – 9/21; 9/30; 10/12; 11/10
- St. Joseph's Academy – 10/8

It is the parent's responsibility to arrange for visitations with the high schools on designated days.

God,

Bless each and every person affected by Hurricane Ida and surround them with Your love, protection, and angels. Let them know there are millions of us out here praying for them and their loved ones. We give You all the praise and glory forever, Lord, and know that even in the darkest hours, You are always with us.

### COVID Safety

We continue to require all SFX family members to wear masks daily, wash their hand and use hand sanitizers. Please wash students lunch bags and book bags weekly.

## Breakfast Hours

Breakfast is served daily from 7:30 – 7:55 at no cost to parents. If you choose for your child to have breakfast at school, please get them here in a timely manner.

## Internet Safety Tips for Kids and Teens

1. Spend time having fun with your parents online and helping them understand technology!
2. Never post your personal information, such as a cell phone number, home number, home address, or your location on any social networking site or through mobile apps like Snapchat or Instagram.
3. Never meet in person with anyone you first “met” on the internet. If someone asks to meet you, tell your parents or guardian right away. Some people may not be who they say they are.
4. Check with your parents before you post pictures of yourself or others online.

## Emergency Contact

In the event you change your address, phone number, or emergency contact for your child/children, please notify the school immediately. Thanks.
